Northwind Survey Report

1 Introduction

This report summarizes the Northwind customer survey. The survey was conducted by Acme Research between March and May 2024 among 1,200 customers in three regions. Respondents answered questions about product quality, delivery times and support.

2 Results

Revenue grew in every region. Table 1 lists revenue by region in million euros. Europe remained the largest market, while Asia grew fastest.

Table 1: Revenue by region (EUR million)

Region	2023	2024
Europe	41.0	45.5
Asia	18.2	24.9
Americas	30.1	31.4

3 Conclusion

The report recommends expanding the support team in Asia and shortening delivery times in Europe. Customer satisfaction should be measured again in 2025.
